OBJECTION. i object to the proposal for canvey island to lose one ward ,west ward .i believe that it was not understood that castlepoint is two communities canvey island and the mainland . and canvey island residents have always felt dominated by mainland councilor's. a petition of over 10,000 canvey residents went to 10 downing street calling on equal representation for canvey . this decision to reduce canvey councillors by 2 is backward step for democracy. canvey island has large recognized deprived areas also a high flood risk area 2012 and 2014 over a thousand properties were flooded and growing elderly population our councillors work with all the community groups and organisations to help keep our community safe and i believe we should keep our west ward ..some wards on the mainland have only 1400 resident per councillor . with a opotunity to reduce 3 on the mainland and leave canvey as it is .
