

# HARLOW

April 2023

## NEW ELECTORAL ARRANGEMENTS

### Currently there are:

- 33 councillors
- 11 wards
- Three councillors per ward

92 residents and organisations  
helped shape our recommendations

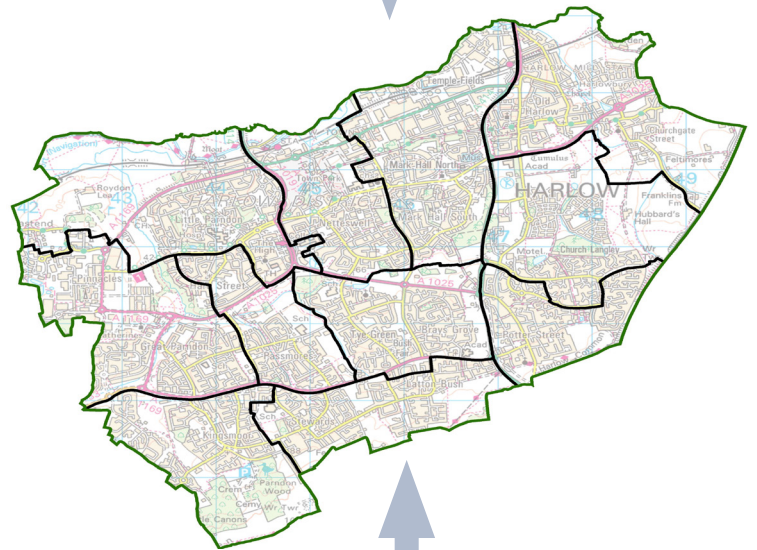

We aim to make sure Harlow  
councillors represent a similar  
number of electors

### From elections in 2024:

- 33 councillors
- 11 wards
- Three councillors per ward

### Currently there are:

- Five wards that are more than 10% away from the average number of electors per ward
- Zero wards that are more than 30% away from the average

### Harlow will move towards:

- No wards being more than 10% away from the average number of electors per ward
- Each councillor representing an average of 2,244 electors
