**Postcode:** [REDACTED]

**Organisation Name:** Liverpool Six Community Association

### Comment text:

We strongly oppose the wards going to one Councillor per ward we are a charity and based in Everton but work right across Liverpool, we work with Councillors in all wards on a daily basis re residents wellbeing housing ect, if there is one member wards what happens if Councillor is sick how can the Councillor run surgery's the work load will explode. Please think again our ward is one of the poorest in the country and needs more councillors nit less.
