

## Telford and Wrekin Borough Council

### Personal Details:

**Name:** John McGrath  
**E-mail:** chairman@suttonhillct.org.uk  
**Postcode:** XXXXXXXXXX  
**Organisation Name:** Sutton Hill Community Trust

### Comment text:

The Sutton Hill estate is one of the most deprived communities in the country in terms of opportunity and access. As the Chairperson of the Charity Trust which runs the Hub on the Hill Community Centre at the heart of Sutton Hill, we are striving to provide opportunities for local citizens of all backgrounds and have made great strides forward. Our key allies have been the three Ward Councillors who have backed the Community Centre and our efforts consistently, especially through difficult times. While all three represent the whole of the ward including Madeley, they have recognised and prioritised the particular needs of Sutton Hill and together the three of them are making a difference. The boundary changes are potentially disastrous to the prospects of the least advantaged people in our community. Access to Council resources and decision making, together with prospects for the survival of our Community Centre would be undermined. In short, our three Councillors understand where the Ward priorities lie and are there on the ground when we need them. One Councillor would simply not be able to cover the real needs and deliver the changes that are already happening. Its working. Pease don't break it with this proposal. John McGrath Sutton Hill Community Trust (Chair) Registered Charity 1171595
