I have lived in Holt Heath for forty three years and have served on the Parish Council for the last Twenty years [REDACTED]
[REDACTED]

Holt Heath is a rural community together with Shrawley, Astley, Great Witley, Little Witley, and Abberley. The Village was under Baldwin Ward long before I came to live here.

As a community Holt acquired a 7.5 acre parcel of land and made a Millennium Green which has served our Village and outlying Villages and communities since the year 2000.

This is how we wish to remain RURAL exactly as we are now, and not joined to Large Villages which are adjacent to Worcester.

Kind Regards.
