Subject: Malvern Hills - Queenhill and Holdfast

Dear Sirs

I was horrified to hear of the proposed boundary changes which would include Queenhill and Holdfast with Ripple and remove us from Longdon.

We have lived in Queenhill for nearly 60 years. Our children went to Longdon School and we regularly attend both Longdon and Queenhill Churches. We have been involved in our thriving Longdon Parish Magazine, which includes Queenhill and Holdfast, for over 30 years. When our children were at school [REDACTED] a Youth Club in Longdon for several years.

We know almost everyone in Longdon and no one in Ripple. Has nobody noticed that there is a river between us? Are you planning to reinstate the ferry?

Those making these suggestions have no idea of the people who live here and our close ties with our nearest neighbours. Please scrap this ridiculous idea and let us get on with our lives without interference from strangers.

Yours faithfully,
