

## Buckinghamshire County Council

### Personal Details:

[REDACTED]	[REDACTED]
[REDACTED]	[REDACTED]
[REDACTED]	[REDACTED]

### Organisation Name:

### Comment text:

I believe that the current rural settings of Buckinghamshire appear to be over represented on the council and carry more influence than the more densely populated towns e,g Aylesbury and High Wycombe. I would like to see a greater balance brought to the council through per capita level of representation rather than a blanket rule of 2 representatives per constituency and no more than 80 councillors in total.
