Dear Sir/Madam,

LOCAL BOUNDARY COMMISSION - PROPOSED CHANGES

I write as one who has lived in Hallow for more than fifty years. Both my sons were born here, It is with some horror that I now learn that there is a suggestion that here, where local democracy can be seen at its best, an enlargement of the local area is under consideration.

Our District Councillor, Mr. Dean Clarke, is by far the best we have ever had to look after our affairs. To make him responsible for an enlarged territory is to be resisted at all costs. He lives locally and has been our councillor for many years, he is a most popular member of the community.

To enlarge his district will undoubtedly add to his workload and thereby reduce the attention he currently devotes to his existing area.

May I, and my wife, impress upon you to give serious consideration to the possibility of any change that will result in a reduction in the efficiency of local government. Mr Clarke is an exceptional councillor. Meticulous, invariably available and always helpful.

Yours faithfully
