### Comment text:

[REDACTED] the croxteth park estate is one of the largest private housing estates in the UK. Liverpool council have left the whole estate to deteriorate. Yet L11 Croxteth gets all the improvements. Our estate has poor road, poor broken lights, trees overgrown everywhere. Pathways in poor condition. The ward clls tell us the council has no funding to maintain the estate. It's crazy & discussing how our estate has been left to deteriorate. L12, our estate should be part of West Derby L12 area
