Organisation Name: Great Hollands South Ward

Comment text:

I would like to propose that the playing/sports field, used by the school, located opposite the secondary school (Easthampstead Park Community School) be included in the proposed Great Hollands ward. I believe the playing/sports field belongs to the school and it would make very little sense to have the school in Great Hollands and its sports facilities in another ward. Easthampstead Park Community School has always been part of the Great Hollands community so it is very important that the school and fields remain within this well-established community and retains its connection with the Great Hollands.
