### Comment text:

I have lived in Greenham Wood since 1981 and it has always been in the Old Bracknell Ward. During this time we have had many councillors and even a Mayor live in Greenham Wood. One of our current Councillors, Mr. Peter Heydon, lives in Greenham Wood and our other Councillor, Mr. Malcolm Tullett, lives in the next road Gainsborough. Both are excellent Councillors who have personal knowledge of the area and good relationships with the residents in the Ward. Should Greenham Wood, Gainsborough and Finmere move into the Hanworth Ward not only would they not be the Councillors for the very area in which they live in but, at least one of the Councillors who would replace them does not even live in Bracknell. The Councillors listed for Hanworth are: Mrs Gill Birch - who lives in Sandhurst and Mr. Michael Gibson and Mr. Michael Skinner, neither of whom give a home address, contact is made C/O Time Square I like to know where my Councillors live and would specifically like them to live in the Ward which they represent. I see no benefit of changing the boundary of Old Bracknell, the most obvious boundary is the present one ie Ringmead.
