

## **Bracknell Forest Borough Council**

### **Personal Details:**

**Name:** Will not provide Will not provide

**E-mail:** Willnotprovide@gmail.com

**Postcode:** ██████

**Organisation Name:**

### **Comment text:**

Unfortunately the council is one big gravy train and the councillors are just in it for themselves. Due to the lack of leadership and the terrible things the council have done IE Destroying the environment, overspending and wasting our money the council should be disbanded and replaced with an organisation which will look after the masses and not just the few.
