NEWPORT I have no issue whether it is 4 wards N,S,E & W with one Councillor each or two wards NW & SE with 2 Councillors each it amounts to the same thing, 4 Councillors for Newport so whats the point in changing what is working! What is more important & hasn't been addressed is the TC & BC boundaries being different between Newport and Chetwynd Aston and Newport S Ward & Church Aston. The boundaries for both councils need to be the same we are in a ludicrous situation at the moment. The A518 should be the boundary between Newport and Chetwynd Aston its ridiculous where it is now and clearly decisions have been made by people who don't know the area and have never been. People in Wright Ave believe they live in Newport not Chetwynd Aston! GET YOURSELVES OVER HERE AND ACTUALLY UNDERSTAND THE ISSUE!
