I totally disagree that a large part of Horsehay should be included in the Dawley and Aquaduct boundary. It's bizarre that Horsehay should be divided and treated as two boundary different areas, it will foster confusion and is not a good idea. Please take account of residents wishes and keep the whole of Horsehay & Lightmoor within one boundary. I bought my house so that I could live in Horsehay, not as part of Dawley. It isn't beyond a stretch of anyones imagination, that the council could very easily decide to then re- name the part of Horsehay I live in to Dawley. I am strongly against this idea.
