I have looked at the current Proposals for Horsehay and Lightmoor. I have lived in Horsehay for over 20 years and cannot understand the thought process for a potential split of Horsehay into different wards. It would appear that I may actually reside in Horsehay yet now be not included within Horsehay and Lightmoor ward. Why? There may be some logic in such a proposal of which I am not aware of, but nothing would seem to be obvious. On receiving details from Cllr. Dave Hopkins, I am fully in support of his alternative proposal, which appears to sensibly include the whole of Horsehay within a ward aptly named "Horsehay and Lightmoor.
