

I propose a change in the boundary between Hanover & Elm Grove ward and East Brighton ward, so that the area known as Pankhurst Estate becomes part of East Brighton ward. Pankhurst Estate consists of Polling District PHEA, and most of Polling District PHEF. I am uploading a council map of Pankhurst Estate with this submission. This change would bring the number of electors in each of the two wards closer to the numbers required for electoral equality in Brighton and Hove. Pankhurst Estate is a clearly defined and distinct area with identifiable boundaries, as illustrated by the uploaded map. In terms of community interests and identities, Pankhurst Estate is grouped together as a neighbourhood with Craven Vale in East Brighton ward in this council document:
