Subject: PROPOSED LOCAL GOVERNMENT BOUNDARY CHANGES

Categories: Submissions, [REDACTED]

[REDACTED],

I am writing to object strongly to the proposed changes. They seem to involve dividing Bookham into two areas along densely populated areas: specifically Church Road and The High Street. This is nonsensical; boundaries should naturally fall in areas of minimal population.

If this proposal is put into effect it would result in the LGBC in failing to meet its own objectives by failing to maintain existing village and conurbation identities.
