Subject: Objection to the proposed new MVDC Ward boundary

Dear Sir/Madam,

I am writing to register my objection, as a resident of Bookham ward, to the proposed changes to ward boundaries of Bookham and Fetcham.

The proposed changes fail to meet two clear criteria for any local government boundary reviews:

- 1- The new boundaries do not maintain the very strong local identity of Bookham which is very different to that of its neighbouring wards.
- 2- The changes are very likely to impose additional workload on smaller number of ward councillors which will lead to deteriorating administration of the Bookham Ward.

Yours,
