Dear Sir

Having read the proposed changes to the ward boundaries I wish to lodge my objection to the proposals.

They seem to make matters worse in that the new Eastwick Park ward splits the Bookham community with its shops, churches, parking, traffic flow, energy and waste issues in two, meaning I suppose that two councillors will now have to liaise on all matters whereas one efficiently now does the job.

It should also be noted that Bookham and Fetcham are two distinct villages and boundaries are meant to maintain the identities of each, I can see no reason or verifiable gain from having one councillor represent the sometimes conflicting interests of the two villages.

I hope you will reconsider the proposed changes

Regards
