

Mole Valley District Council

Personal Details:

Name: Steve Scott Brooks Brooks

E-mail:

Postcode:

Organisation Name: Westcott Village Hall Trust

Comment text:

I feel that by joining all these areas together it will make make the whole area totally unmanageable. The distance from the Northern most boundary to the most Southerly boundary is over TWENTY ONE MILES. This is not over main roads, this is over narrow country Lanes. Imagine controlling this area during the winter. Westcott is not part of Dorking, we are very much a separate Village, We have personally lived here for over 52 years and we are very happy with the way our district councilor handles and looks after us and our district. Please reconsider this merger or at least take off the northern areas, I think it would be more workable if the boundary stopped at the foot of Ranmore. So just North of Westcott Village.
