Comment text:

1) As Vicar of St Mary's Loughton, I am sad to see this Ward scrapped. Why is this? We would like to continue to have St Mary's as a Ward. Why has St Mary's Ward been abolished? Please bring it back. 2) Also, you have designated one side of the Roding Road as Buckhurst Hill, when it is in fact in Loughton. Areas of Loughton should remain within a Loughton Ward. This is very important for identity and community services.
