### Comment text:

Comments from Flore Parish Council, West Northamptonshire Flore is in the Long Buckby Ward and is situated at the southern-most edge of this. We are closer to the large village of Weedon (Woodford and Weedon ward) and Bugbrooke ward. Flore shares and is linked mostly with Weedon which is the largest village in this area and which provides amenities that Flore residents use. We are also closer to Bugbrooke than Long Buckby and it seems to make no sense to residents of the village that we are linked in the Long Buckby Ward when we are on the boundaries of two others of which both are closer. Our comments would be to switch to Weedon as first choice or Bugbrooke as second.
