

Malvern Hills District Council

Personal Details:

Name: Little Witley Parish Council
E-mail: littlewitleyparish@gmail.com
Postcode: XXXXXXXXXX
Organisation Name: Little Witley Parish Council

Comment text:

The Members of Little Witley Parish Council wish to express their agreement with the ward boundary proposals of Abberley Parish Council, which would ensure that the village was electorally placed with the other local villages with which it has community interests and similar identities. The village relies particularly on both Holt and Great Witley in similar measures for the majority of its local services as well as the other villages in the proposals. The local farm shop and cafe is in Holt. The nearest pubs are in Holt followed by Shrawley, Abberley and Astley plus Wichenford. The nearest Post Office and Stores are in Holt or Great Witley dependent on the direction of departure from the village, as are the local play areas and public open spaces. Petrol garages are in Dunley and Great Witley. To leave the village by road it is necessary to go through Holt , Wichenford or Great Witley and Hillhampton and the boundaries with these villages are not obvious except when marked on a map. The villages in Abberley's proposals are closely linked by the road network along two main roads and share similar problems as a result. For this reason the Parish Council was pleased to combine with six of the other parishes to present a joint submission to the current review of the Local Plan.
