Comment text:

Dawley Hamlets Parish Council would like to submit the following observations and comments regarding the draft recommendations for the new ward boundaries across Telford and Wrekin. Dawley Hamlets Parish Council recognises the challenges of warding arrangements in Horsehay, Lightmoor and Lawley given the current and future levels of housing growth. However, Horsehay Pool, Horsehay Common and the Telford Steam Railway do not fit within the Dawley and Aqueduct Ward. These areas have a separate and distinct identity and sit more naturally within Horsehay and Lightmoor or, at least in part, within Lawley. The views of parish residents who have made their opinions known to you should also be taken into consideration.
