Comment text:

Can not understand why the council feel the need to change our boundaries ,i have lived in Penn all my life and have always been proud to say I live in Penn, my family and I strongly object to the boundary change ,I also believe it will devalue our house .It seems a very underhand to hold a meeting on a Thursday dinnertime when myself and family are at work , to say nothing of the fact we didn't even get a letter to say this was going ahead
