I am writing to object to the proposed change to Penn boundary. I have lived on Coalway Road for over 20 years. I have never used the shops or services in Graisle, but many of those in Penn. Coalway Road forms a clear boundary for Penn but not one for Graisle. The character of Penn fits well with Coalway Road but our road feels unlike Graisle which is separated from us by the Penn Road (note the name). The local Catholic Church will move with us and deprive Penn of a well used facility. Penn and Graisle are not the same and have never been so. I see no overriding reason to dislocate us from our chosen area. Arguments based on average numbers of electors are guesses not certainties. Yours sincerely
