1. Penn Ward should be maintained as they currently are. Penn Ward has similarities with Merry Hill, Tettenhall Regis and Tettenhall Wightwick and these three wards are already recommended by LGBCE and local council to remain as they are. 2. The test around clear boundaries is definitely compromised as relinquishing both sides of Coalway Road to Graiseley and taking both sides of Goldthorn Hill and Coton Road to Blakenhall leaves Penn Ward as no strong, clearly identifiable boundaries. 3. The other test around reflecting community identify, has been ignored. Penn Ward will lose its well loved and only Catholic Church in our community. St Michael's Church at the moment comes under Penn Ward and a lot of the Penn residents are proud of this local community Church. 4. Average number of electors in a ward per Councillor is 3175, the proposal to maintain Penn Ward as it is will still leave Councillors within the range of 10% of the average electors over the forecast period of 2026. 5. Penn Ward has some lovely shops like TanTastic and all the other shops around it on Coalway Road. These shops are well used by local people and these unique shops are part of the character of Penn Ward. Graiseley already has its own community shopping areas.
