**Subject:** Proposed boundary changes

[REDACTED] [REDACTED]

I am writing to protest about the proposed boundary change. I live at the Leadingcross Green end of Sandway and have done for many years. I have always considered myself part of Lenham . I shop in Lenham. Like many people in Sandway I connect with Lenham, not Headcorn. It is the Lenham organisations that I and my family attend or have attended over the last forty years.

The Lenham Ward as it stands reflects my shared interests and identities as it does numerous other residents of Sandway.

I do not wish to be part of the extended Headcorn Ward.
