Comment text:

Coxheath and Loose should be one ward. The town centre should be one ward. Boughton & Chart Sutton should be one ward. That should be enough changes to attain the required reduction in members without harming the policy SI map or sense of community. I would advocate that the parishes remain as they are. As someone who has lived in the borough for my whole 55 years and having an intimate knowledge of the Borough I feel that I have valid views and a good insight to the political map of the area.
