Dear Sirs,

I wish to express my concern over the suggestion from Maidstone Borough Council that Harrietsham and Lenham ward is significantly altered.

The suggestion includes enlarging the ward in one direction while cutting it off in another and this would completely alter the representation we have enjoyed for several years.

Lenham and Harrietsham ward is presently served by two elected Members at Maidstone Borough Council.

In my view this works out well in terms of community building as the two parishes, Lenham and Harrietsham, sit on the eastern boundary of Maidstone borough distinct from the other major settlements, such as Headcorn 6 miles to the south, and share much common infrastructure in terms of services, for example:

- Both have been designated in the 2017 Maidstone Local Plan as Rural Service Centres
- Both are in the same Kent County Council Member Division and are served by the same KCC councillor
- Both are covered by the same County Council Community Warden
- Both form part of the same Kent Police area and so are served by known and shared Police Community Support Officers
- Both are covered by Len Valley Practice, the part of the Ridge Primary Care Network, with the primary surgery at Groom Way Lenham and a secondary surgery at the Glebe Medical Centre in Harrietsham

Aside from these shared statutory services, which make continuity a strong facet of the distinct communities of both parishes, many of the organisations that run for

Yours Faithfully,
