Dear Sir / Madam This e mail is my **objection** to the proposed change in the the wards of Harrietsham / Lenham. The Ward of Lenham /Harrietsham has worked exceptionally well in my 40 years living in Lenham. Every aspect of life in both villages is connected the social life, administration, Police, health, sports clubs, transport routes just to name a few. With building schemes that MBC are proposing it will soon be one whole conglomerate anyway, you have got it wrong again. There is an old saying in industry, if it isn't broken why mend it!! As far as I can see this is another back door method to further the MBC ambition of a "Garden Village" in Lenham Heath another cock up. If at the end of this there an increase in my rates i shall refuse to pay it, the money could be spent repairing pot holes.

Yours Truly
