Adjusting boundaries and potential changing the areas postal name such as moving parts of Oakwood to Breadsell Hill Top would be a disgrace, my area in Oakwood has been rumoured to be a potential victim of this. I have lived here with my parents and now with my young family for close to 40 years and it's Oakwood! I'm sure most of the Oakwood residents will agree. It's time the residents of derby who pay for the council was respected.
