Comment text:

As a resident of Astley Bridge I would like to provide my thoughts on the proposals that have been put forward to change the Astley Bridge ward and create a new South Turton ward. I do not feel that these proposals reflect the local area and would have the effect of dividing a strong community. The areas to the North of the ward are very much a part of this area and have no connection with Turton which is another distinct area of Bolton. As a community we come together to commemorate Remembrance Day, have a Christmas lights switch on and many other events. Local churches, schools and community groups such as the Friends of Astley Bridge play a large part in this. We all come together from across the area and so splitting the ward in two would be disastrous.
