

Dear Boundary Commission REVIEW OF BOLTON,

I have lived in the Harper Green council ward throughout my working life. I live on Bishops Road and have family and friends in the area. They live at Green Lane and also on the Andrews estate where Broadway is, not far from here. It feels much the same in our neighbourhood here. Officially there are two council wards but our area is like a neighbourhood in itself. It starts at the traffic lights where Bradford Road and Green Lane cross and continues up Bradford Road a way. There are some rented properties but it is mostly people who own their homes. I would like the new ward boundary to include Green Lane from the traffic lights and the streets on the left hand side that connect to Bishops Road.

*I wish to stay in the same ward area as  
I am already in. Thank You.*
