I object to the proposals that have been put forward to divide the Astley Bridge ward and create a new area called South Turton. I cannot understand why there needs to be a change to an area that works so well together and cannot see any benefits that would come from this change! As far as I am concerned, it would have a negative effect on the entire Astley Bridge area and introduce new costs to Bolton Council. Keeping Astley Bridge together, which has a strong historic identity and good community cohesion allows the whole area to come together – especially when decisions have to be made on the local council that affect us all. I object strongly to these changes and expect that many other residents will do likewise.
