Dear Sir, My name is [REDACTED] and I live on Green Lane Road. I have seen new proposed boundar change and realised you are proposing to include our area into GL ward. I am not happy with that as we are more connected with the hospital end which falls in new Farnworth North Ward. My children attended Harper Green school and Mount st Joseph school and both of them are in Farnworth North Ward.I have a big extended family and most of them live in Farnworth Ward. I kindly request you to consider this and put Green Lane Road where I live in Farnworth North Ward.
