We would like to jointly submit our views on the proposed boundary changes that will affect Astley Bridge. We attend Astley Bridge Baptist church and are very much part of the community. The Baptist Church holds fun days and a lunch club for local residents and these are very well attended by people from across the area. We are concerned that by dividing the ward in the way proposed, members of the church and residents that the church engages with would be split away from Astley Bridge. Astley Bridge is a community and we as local residents and active members of the area do not want to see what we have achieved undone. [REDACTED]
