Subject: Trafford Boundary Review (Hale)

Categories: Submissions, [REDACTED]

Hi

Disappointed at the boundary review proposals for Hale Central we are the owners of a House on Parkhill Road, Hale WA15. It seemed like a perfect opportunity to move our property and the bulk of our neighbours back into Hale Central. For some odd reason many houses on our side of Park Road have been in Hale Barns for the past 19 years. We are in Hale we only ever visit Hale and we attend the church in Hale Certainly all the roads off Park Road and Park Road itself should be I Hale Central.

Our property is tithed to the church on Hale and so should naturally fall in Hale Cetral Ward.

Thanks
