Subject: Trafford boundary changes

Hi, I am a resident of Fishermore Road [REDACTED] currently in Flixton Ward. It is proposed that I move to a new Davyhulme Ward and I would like to strongly support this proposal. I use services; shops, library and health services around Woodsend Circle and think it is correct to have all of the area around Woodsend Circle in one Davyhulme Ward. This reflects community ties in the area and it also means that both sides of Moorside Road are in one ward as it approaches Woodsend Circle. I also note from the map it means there is a much firmer Davyhulme boundary at Hayeswater Road allowing the homes nearer Urmston to go into Urmston Ward. This again better reflects community ties in the area and I support the new Urmston Ward on that basis.

Many thanks for reading.
