I am opposed to this plan which will not do anything to benefit the people that fall within this new proposed boundary other than potentially reduce the value of properties in our area. I've lived in Timperley and Altrincham all my life and I'm proud of the area and town in which we live, and the idea to extend this boundary which encroaches into Timperley is utter folly. I am wholeheartedly opposed to this plan and will support any action to stop this happening. [REDACTED] Timperley Resident.
