I have genuine concerns over the changes to Timperley Village Ward being absorbed and split, at the same time essentially splitting the Broomwood Community in half affecting many of my family and in particular the elderly. To split the Broomwood the way the proposal currently states is completely contradictory to one of the main aims of the proposal, namely "We also aim to ensure that the ward boundaries reflect the interests and identities of local communities, as well as promoting effective local government". The Broomwood ideally needs to sit in its entirety in one ward - splitting a community in half, especially one in a poorer area only causes division. There would be no cohesive approach to issues on the estate. The boundaries at the very least could be repositioned to allow the Broomwood to remain in a singular ward. It is not acceptable to split an entire community's boundaries in half.
