Comment text:

Dear Sir/Madam, I am shocked that you have sliced Broomwood Estate in half. I thought the Boundary Commissions remit included recognising established communities. Broomwood is an established and recognised community that is held dear in the heart of everyone who lives there. It was established in the 1950's when over 1100 council houses were built on greenfield land. To remove Nethercroft Road (which should never have placed in Hale Barns last time), Broomwood Road, Eldercroft Road, parts of Mainwood Road (jumping randomly from one side to the other), Norwood Drive, Greenwood Close is an absolute travesty and a kick in the teeth for all Broomwoods residents. Ask anyone living there and they say they live in Broomwood in Timperley NOT in Timperley. Broomwood has its own School named 'Broomwood Primary School'. Timperley doesn't have a School named after it. It has its own community Centre called the 'Broomwood Health & Wellbeing Centre'. It has its own parade of shops and Doctors Surgery and Dentist all with the bounds of the Broomwood Community. Broomwood is enclosed by Shaftsbury avenue, Aimson Road East, Includes Cartmel Drive, Redbrook Road, is enclosed on the East side by Timperley Brook and Coniston Walk through to Ridgeway Road in the South, though the private houses in Ridgeway I am sure would love to be in Hale Barns. If anywhere could be lifted into Hale Barns take the Rothermere Ave, Bowness Road and Kendal Close area. All private houses developed in the last 30 years and not really seen as part of Broomwood. [REDACTED] the Broomwood Partnership of statutory and voluntary agencies and It has been in existence on and off for over 20 years. We have worked incredibly hard over that time standing up for Broomwood and trying to draw in resources to help the community. If this was to go ahead it would be a massive blow to both the community and all our work over that time. I live on Broomwood too and have done since 1989 so I do know this area and live, eat and breath everything Broomwood. Broomwood is an area suffering high levels of need an deprivation and to split it in to two wealthy wards risks it being drowned in the wealth with all the loss of focus (and money) that would bring. Too much hangs on your decision and I would ask that you please review it with all haste. many thanks for taking my comments. If it is helpful please do call me on [REDACTED]. My regards, [REDACTED]
