why is Timperley south and hale barns all one boundary if you live in south Timperley sure that should be separate from hale barns . I live on Fairview Road and am a Timperley resident so why would I be interested in what's going on in Hale Barns always have been under represented with the councillors in the past they are only interested in the Hale Barns and do not come for our views when it comes to elections.We should be part of Timperley Central or just Timperley South.
