Subject: BOUNDARY COMMISSION REPRESENTATION - TRAFFORD

Categories: Submissions, [REDACTED]

Good morning

As a long-term parishioner and ratepayer in Partington, I am writing to you to make my personal representations to the current Boundary Commissions proposal in which you propose to change the current ward, Sale West and to then include Warburton and Dunham.

I feel that this proposal is potentially a huge backwards step for our communities, as we do not have anything in common with rural, farming communities, Dunham in particular. The only thing in common is our isolation from other parts of Trafford.

I also strongly disagree that it should be then renamed the 'Western Parishes'!

I would therefore propose that the current Boundary Commissions proposal is urgently reviewed as Partington is closer and more akin to Carrington and with location aside, Dunham is closer to Altrincham and would not fit into to the proposed new 'Western Parishes.'

I would also like to be informed as to when the members of public and Parish Councils were notified of this consultation and offered the opportunity to submit their representations to this current Boundary Commissions proposal?

Can you also inform me as to when the next two rounds of consultation in 2022 will be held?

I will look forward to your response and confirmation of receipt of my mail.

Yours faithfully
