My daughter lives in Timperley. The Timperley/Broadheath boundary needs amending. The reason being that the boundaries for Brooklands, Sale and Stretford are Manchester/Washway Rd A56. Yet in Timperley the boundary is pushed over to the right and switches to the canal. This isn't right. All roads immediately off Park Rd Timperley should be captured in Timperley boundary not Broadheath. If the boundary continued to be Manchester Rd this would be the case. Her address is Abbotsford Grove Timperley and she lives literally 5 mins walk from Timperley Metro Station. I strongly request that the boundary should be adjusted so those who live in Timperley off Park Rd are in the Timperley boundary. Thank you.
