Subject: Trafford Boundary Changes

Categories: Submissions, [REDACTED]

Dear Sirs

Thank you for the opportunity to comment on the proposed boundary changes. I am a resident of the current Priory ward, and I am happy with the revised boundaries for the proposed Sale Priory ward. The ward boundaries relating to the River Mersey, the A56, and Marsland Road are geographically very sensible. On the proposed name of the ward, I do feel that Priory or Sale Central would be more in keeping. Priory is associated historically with a priory that was located in the ward area. The name Sale Central for a ward whose focal point is the town centre would be a positive step and would also reflect the position of the ward within Sale as a whole.

Yours sincerely
