Subject: Flixton to Davyhulme proposal, Trafford

Categories: Submissions, [REDACTED]

I live in the current Flixton Ward on Moorside Road close to Woodsend Circle. I am very supportive of my area being moved to the new Davyhulme Ward as at the moment my road is split along the middle. I also think that my area should be united in one ward as we all use similar services like the Medical Centre, Library, local churches and the local shopping parade at Woodsend Circle. I am very pleased with the plans and support the proposal for Davyhulme Ward in full (and for the revised Flixton Ward which is more centred on Flixton Village).

Many thanks,
