Totally object to this. My house in Urmston (M41 [REDACTED]) would then be in Stretford, no doubt resulting in a fall in the value of the property. That aside, generations of my family have resided in the Humphrey Park area for many many years since the estates were built, always in Urmston, and consequently I do not want to live in Stretford. My family history and routes are firmly in Urmston. I will fight this all the way.
