Hi. Having lived in Farnworth longcauseway area for the last 45 years I strongly object having to vote in the kearsley ward. I do not have any reason to go into Kearsley as all my needs are in Farnworth. It's about time politicians in this country listen to the people,.The people who live in Farnworth are not interested in another town,especially when there is no need to venture into . I am a Farnworthian not a Kearsleyite.
