I think the streets classed as kearsley ward just before the kearsley roundabout should be in the farnworth ward. I live off Longcausway and I class myself as a farnworth resident, not a kearsley resident and everytime election comes along I get confused because I live in farnworth but have to vote for kearsley ward?! Please could the farnworth ward be extended so that we are included in the farnworth ward in future.
